

West Parish Elementary School  
Before School Program

Our start time for school remains 9:00 AM. We are sensitive to the fact that this later time could conflict with parents' work schedules. For this reason we are offering a before school program for all students who need it. **The program will begin on the second day of school, Thursday, September 6, 2018** and run through the entire school year (holidays and snow days excepted). If there is a delayed start to school due to weather or other factors, there will be no day care.

*Day care will begin at 7:45 AM, students may arrive any time after that.* Please do not drop your child off to school before this time. To drop-off your child, **please drive to the far right entrance of the school where students can enter directly into the cafeteria. Before school staff will be there to greet them for the first week.** Students will be given homework support and a structured environment during this time. Breakfast will be served at 8:30. The day care program is \$2.00 per day. **Please make all checks payable to Gloucester Public Schools.** Breakfast will cost the usual amount. All K-5 West Parish students are eligible to join us. We only ask that students behave appropriately, follow school rules, and expectations. If a student cannot follow rules and expectations, they will be suspended from the program. A current emergency form must be on file for students to attend.

If you are interested in having your child attend our morning day care program beginning at 7:45 AM, please fill out the form below and send it in with your child. A completed Emergency Form and at least two contact numbers are required for each child. If your child will be out sick or not attending the program on days you have indicated please call the school.
